ACTIVE DESIGN

T-GAME

RR sport, the Progeo's sport wheelchairs.

A frame built around your body to support the most competitive of users.

T-GAME, a project that combines the most innovative technical solutions to ensure maximum strength, agility and reactivity. An indestructible frame, custom-made with super-strong materials, to protect the athlete, regardless of their speed, aggressiveness and different conditions of play.

Anti tip system (single or double caster) with adjustment for the distance to the ground.

The positioning and stability of the legs are ensured by the frame's structure; width made-to-measure.

Absolute resistance thanks to the geometry of the tubes welded to the main axle. Seat canvas with adjustable Velcro straps.
